Experience

Publicity Coordinator - Contract, Beverly Hills, CA

January 2026 - Present

Katrina Wan PR

- Support publicity campaigns across **6+ film titles**, including *Faces of Death* and *Beast*, while assisting on additional releases from early festival premieres through wider distribution
- Coordinate **18+ virtual press junkets** (3+ hours each, 15–20 media attendees), facilitating Zoom-based talent interviews by managing scheduling, timing, and technical troubleshooting to ensure seamless execution between talent and the press
- Manage **daily media communications**, handling outreach, scheduling, embargo enforcement, and asset distribution
- Organize and execute **multiple press screenings and events**, overseeing logistics, attendance, and event flow
- Track and distribute **high-volume publicity assets** (stills, clips, interviews) according to strict release timelines
- Coordinate **media exclusives and content drops**, aligning with outlets to maximize coverage opportunities
- Build and maintain relationships with **journalists, podcasters, and top-tier media outlets** to support ongoing publicity efforts

Event Coordinator, Los Angeles, CA

January 2026 - Present

Side by Side Design

- Coordinate **on-site logistics and event operations** for weddings, private celebrations, and community events throughout Los Angeles, ensuring seamless execution from setup through event completion
- Serve as a liaison between **clients, vendors, and event teams**, managing communication, schedules, deliveries, and **day-of-event operations**
- Oversee event setup, production timelines, and **guest experience**, proactively resolving issues in fast-paced environments
- Support content creation efforts by photographing and filming event highlights, producing visual assets that showcase completed events across the company's portfolio and digital channels

Associate, Integrated Media Planner, Marina Del Rey, CA

July 2025 - January 2026

Omnicom, OMD (Apple Services)

- Supported and led media planning for **Apple Services campaigns totaling \$20M+ annually**, spanning traditional, digital, and social channels, while executing and optimizing campaigns across streaming, podcast, and digital audio platforms
- Managed cross-functional communication between **clients, vendors, and internal teams**, ensuring seamless campaign execution, alignment with brand goals, and audience targeting
- Oversaw trafficking and delivery of **:15–:60 second audio assets**, conducting compliance checks and approvals with Apple's legal team
- Delivered **quarterly performance reports and presentations** to clients, translating analytics into actionable insights and recommendations
- Collaborated on **vendor and media partner selection**, contributing to planning decisions for current and future campaign cycles
- Managed **financial tracking and billing reconciliation**, ensuring accuracy across large-scale campaign budgets

Marketing and Communications Coordinator, San Luis Obispo, CA

September 2024 - June 2025

MBA Student Association at Cal Poly, San Luis Obispo

- Managed **event budgets ranging from \$100 to \$5K**, tracking expenses and ensuring alignment with university funding guidelines
- Planned and executed **10+ student and networking events annually**, including quarterly restaurant-hosted gatherings, student socials, and informational sessions
- Led **regular program-wide communications**, presenting updates on initiatives and events to MBA cohort during scheduled class announcements
- Organized and independently executed **end-of-year banquet (150+ attendees)**, overseeing venue selection, catering, décor, and budget reconciliation
- Collaborated with faculty and administration to **align programming with community goals**, maximizing student engagement
